BUDGET MESSAGE 2013
POLLUTION CONTROL FINANCING AUTHORITY
OF WARREN COUNTY

AUTHORITY BUDGET

FISCAL YEAR: FROM January 1, 2013 TO December 31, 2013

1. Complete a brief statement on the 2013 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

The 2013 budget reflects a continuation of the landfill operation at its current waste disposal volume, approximately 145,000 tons per year. The operating budget reflects the level of expenses necessary to sustain the operation at that projected waste disposal volume. Expense appropriations have been increased or decreased to reflect anticipated changes in salaries and operating costs.

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any.

Anticipated Revenues are projected at the current year levels consistent with the projected disposal volume and the current tipping fees will not significantly change from the previous year.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

Sufficient waste exists in the regional market to supply the facility with adequate waste to meet the budget projections.

4. Describe the reasons for utilizing Unrestricted Net Assets in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc.

Unrestricted Net Assets will be used to finance construction of the capital improvements necessary to maintain compliance with environmental regulations. Unrestricted Net Assets will not be used to finance operating expenses or debt service.

5. If the proposed Annual Budget contains an Accumulated Deficit either existing or anticipated, pursuant to N.J.S.A 40A:5A-12, then an explanation as to reasons for occurrence must be disclosed.

The proposed budget does not anticipate an Accumulated Deficit nor does one exist at the present time.
