AGENDA

Tuesday, May 19, 2026

9:30 AM

PCFAWC Administration Building
Upstairs Conference Room

CALL TO ORDER

ROLL CALL

PLEDGE OF ALLEGIANCE

INTRODUCTORY STATEMENT

Adequate notice of this meeting of May 19, 2026 was given in accordance with the Open Public Meetings Act by forwarding a schedule of regular meetings of the Pollution Control Financing Authority of Warren County (PCFAWC) to the Warren County Clerk, the Warren County Board of County Commissioners, the Star Ledger, and by posting a copy thereof on the bulletin board in the office of the PCFAWC. Formal action may be taken by the PCFAWC at this meeting. Public participation is encouraged.

Notice* This Agenda is subject to change by the PCFAWC before, and/or during the scheduled meeting*

MINUTES

- M – 1 - Regular Monthly Meeting Minutes – April 21, 2026
- M – 2 - Executive Session Meeting Minutes – April 21, 2026- Not Necessary

CORRESPONDENCE

PUBLIC COMMENTS (AGENDA ITEMS ONLY)

FINANCE (Jon Knittel, Jamie Banghart)

A-1 - April, 2026 Finance Report

R-05-01-26 - Resolution to Pay Bills

A-2 - 2025 Recycling Enhancement Act Tax Fund Entitlement Spending Plan 2025

R-05-02-26 - Resolution Approving the Recycling Enhancement Act Tax Fund Entitlement Spending Plan 2025

- Alternate Escrow Account- \$579,042.01 will be replenished to this closure account. Closure Reimbursements 2023-01, 2023-02, and 2023-03 were also duplicated in FEMA reimbursement. The funds for closure/repair line items covered by FEMA will now go back in the closure account instead of staying in the revenue account.

PERSONNEL (Jon Knittel)

One part time position opening is being posted to our webpage and at the Scale. We currently have 7 full time field personnel and 1 part timer on staff for operations at the landfill.

PRESENTATION

REPORTS

- State and Federal Fish and Wildlife, as well as animal control has worked with PCFA to investigate why eagles got sick on two dates in April. No official lab results or written correspondence has been shared with PCFA even thou the first sick eagle was sent for testing on April 12th

FACILITIES/RECYCLING (Jon Knittel)

- Tree clearing is 100% complete in Cell 6A as far as removal (felling). Some lumber and logs are temporary stockpiled within Cell 6A as well as root balls. All root balls are excavated from the soil and are drying to better remove soil/rocks prior to future grinding into wood chips for reuse onsite. As weather allows, topsoil removal and transport will begin to the Southwest stockpile in the coming weeks.
- Wastewater Treatment Plant Team continues perusing BRIC (Building Resilient Infrastructure Communities) grant application for a potential FEMA BRIC grant with 25% cost sharing to build a high-pressure reverse osmosis wastewater treatment system in our existing treatment building. PCFA needs to be included in the Warren County Hazard Mitigation Plan to be grant eligible. It is hereby recommended that PCFA immediately request that Warren County officially add/amend (by Resolution or otherwise) the County Plan with one paragraph added to section 4.4.3 at the next commissioners

meeting. The potential inclusion could be as a sentence or two naming the landfill as the outlet for solid waste management as follows:

Solid Waste Management Facilities

The Warren County District Landfill provides solid waste management. The facility accepts solid waste generated by county residents and businesses for disposal and manages landfill gas and leachate collected from the landfill.

- Gas Collection Expansion: Planning is beginning for additional 2026 gas collection in Cell 7. Discussions are continuing with WAGA energy to investigate feasibility of producing Renewable Natural Gas from our landfill Methane.

A-3 - 2026 Waste Disposal Fee Schedule (No Changes)

A-4 - Electronics Recycling Program

A-5 - Tire Recycling Program

A-6 - Single Stream Recycling Program
